## AMATEUR HOURS

Do you feel intimidated and uncomfortable playing with or in front of more accomplished players? For many high handicap and beginning golfers, the occasional round of golf turns into a nightmare. The staff of Fort Jackson Golf Club welcomes you to participate in our AMATEUR HOURS! Through October, each Saturday and Sunday after 4:00pm, the Wildcat Course will be reserved just for aspiring golfers trying to learn the game. The staff will provide basic instruction on proper course etiquette and pace of play advice to help make your round of golf more enjoyable.

### THINK ABOUT IT....

Your responsibilities only begin  
When you pay your fees.

## GREAT SHOTS

We are happy to acknowledge four holes-in-one that were reported over the past couple of months. Jerry Rosas had his tee shot find the bottom of the cup on Wildcat's fifteenth hole. Charles Caudill also posted his ace on #15 of the Wildcat Course. On the Old Hickory Course, Connie Myers had a hole-in-one on number fifteen and Jim McDonald recorded his ace on hole number six.

Jim Wilson, Cliff Hogge and John Bumstead posted an eagle "3" on Wildcat's fourteenth hole. Mr. Jim McGready eagled Wildcat's sixteenth hole.

Jim McGready also accomplished shooting his age. Posting a round of 78 the day after he posted his above-mentioned eagle.

Congratulations to each of you on your Great Shot. Please take a moment to report all great and/or unusual accomplishments so we can include them in the next "Tee Times."

## RANGE CLUB

Resolve to make your golfing in 2004 your best! We all know how hard it is to keep those New Year's Resolutions. If your resolution is to improve your golf and lower your handicap, joining the FJGC Range Club is a great start to meeting your goal. A yearly membership to the Range Club is only \$150. Each additional family member can be added to a Range Club Membership for an additional \$25 per person.

Each Range Club Member will be issued two range ball bags. Before each practice session, simply return your empty bags to the Golf Shop and exchange them for two full bags. Any lost or missing bags can be replaced for a \$5.00 charge.

## ON THE COURSE ...

Can you believe the New Year is here? It seems like just last week that we overseeded, and now we're making plans for the spring fertilization. Everyone seems pleased with the overseeded greens this year, and that is great. We worked hard on it after having a poor overseeding last year.

This winter we have been working on edging the bunkers, and cutting down dead trees. The work has been slow due to an unusual amount of illness on the crew. We have lots of projects that need to be accomplished, and we hope we can get started making some real progress in January.

When we finish the bunkers, we will start removing trees around the #4 tees on Wildcat. These tees have lost a great deal of grass the last few years primarily due to a lack of sunlight. We are looking forward to this project, because I think that thinning out the woods and removing scrub trees will fix our problem and enhance the beauty of the area.

We would like to say welcome to all of our new members for joining us, and to all our patrons we want to thank you for your support.

## NATIONAL GUARD AND RESERVISTS

Fort Jackson Golf Club is now offering a special geographical membership just for you. The only requirements are that you are in the National Guard or Reserves and you live a minimum of 50 miles from Fort Jackson Golf Club. Pay an annual fee of \$49 to join plus a 1/2 price green fee each time you visit the club. Stop by or call the Admin Office to register.

## CUSTOM CLUB FITTING

Thinking about buying that new set of clubs for the upcoming season? Before spending several hundreds of dollars for those new clubs, consider investing \$20.00 for a club fitting session. We currently offer custom fitting with Titleist Irons and Ping Irons. During our fitting sessions, we will determine the proper lie, length and shaft for your clubs. Take your club specifications and order a new set of clubs from our Pro Shop and we will deduct the cost of the fitting from the price of your new clubs. What do you have to lose? Contact one of our PGA Professionals and schedule your fitting session.

### About your Handicap ...

An accurate handicap provides a player the opportunity to compete, not to win!
